Comprehensive Plan Updates: Chair Carden talked about the Comprehensive Plan update. He had gotten a price estimate from Southwest Wisconsin Regional Planning Commission (SWWRPC) for survey costs. Chair Carden indicated he wanted to get more input from the people.

It was noted we have 585 landowner's on the tax roll. We looked at printing a notification post card. It was thought the survey would be on line and the cost to have SWWRPC administer the survey, including postage and mailing of postcards would run about \$1,968.00.

There were questions like who would get surveys, what questions would be on the survey, and would there be information sessions beforehand. Chair Carden said he will look to SWWRPC for advice.

The purpose of the survey was noted to make sure the general public agrees with what came out of the ad hoc meetings.

- Offering general comments – Jerry Davis, Doug Carden, Paul Ramsden and Elizabeth Ravindran.

County Road T Resolution: Chair Carden indicated Iowa County doesn't have any plan to improve county road T for at least 10 years.
