

## Special Town Board Meeting

A special meeting of the Town of Brigham Town Board was held on Wednesday, June 28, 2017 at 6:00 PM in the Barneveld- Brigham Municipal Building in Barneveld Wisconsin. The meeting was called to order at 6:05 PM by Chair Jason Carden.

Attending besides Chair Carden were: Supervisor Jeff Zander, Supervisor Kyle Thompson, Public Works Supervisor Jeff Jenson, Clerk/Treasurer Audrey Rue and town resident Jean Thousand.

A motion to accept the Public Notice was made by Chair Carden and seconded by Supervisor Zander and Carried.

Chair Carden noted he had talked with the Scott's Representative, Carl Thorsen and Mr. Thorsen indicated the road estimates given may be a bit high. Thorsen suggested that in the future a list of roads be given prior to the bids being requested. That would allow the bid price to be very accurate.

There was discussion on Thousand Dr. It was suggested to put extra recycled black top on the bad parts of the road and also to install posts in the right of way, preventing machinery driving in everywhere. It was also suggested the town dig out the ditch for drainage which will also prevent driving in everywhere. After this work is completed, this road may be seal coated next year.

Supervisor Zander moved and Supervisor Thompson seconded, to work with the following estimates:

Middle Earth Road	.72 X 18-20	\$8,775
Lakeview Road	.81 X 19-20	\$9,500
W. Blue Mounds Road	.75 X 18-19	\$7,900
E. Brigham Road	1.23 X 20-22	\$15,600
Mounds View Road	2.18 X 19-22	\$28,100
Thompson Road	.61 X 18-19	\$6,800
